

# CARGO PROTECTION PACKAGES

025830 EconoCargo™ Cargo Protection Package

027615 GM Protecta Cargo Protection System

Duraliner is a registered trademark of Durakon

## Cargo Protection Packages and Duraliners™

- > Cargo Protection Packages are complete van interiors including Duraliner, Cab Safety Partition, and a cargo tie-down system.
- > Duraliners include durable, molded-to-fit high density polyethylene wall panels and a headliner. (Ford E-Series includes door cover panels)
- > Full Size van liners include foil-backed insulation for climate and noise control.
- > Full Size Cargo Protection Packages include full length E-track cargo tie-down system with two adjustable straps. Minivans include tie-down "D" rings.
- > Protects vehicle and cargo. Shelving modules and interior packages can be used with Duraliners. See page 40 for optional Floor Mat ordering guide.

# COMMERCIAL VAN INTERIOR PACKAGES

Duraliners™ protect valuable cargo and keep vans looking new. Helps control climate and road noise.
