

COMMERCIAL UTILITY PICKUP RACKS

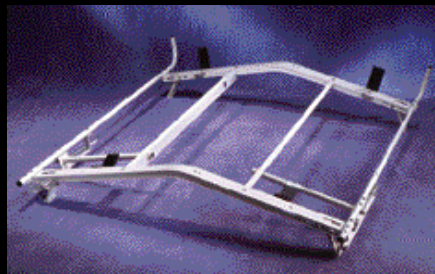

Masterack® utility work tops for pick-ups are the professional's choice for tough jobs.

- > Pick-up utility tops are perfect for CATV, telecom, security, construction, or any business need. Add job specific storage systems shown on pages 50-51, or design your own.
- > Available as durable, lightweight aluminum tops and Workmaster™ heavy-duty steel work tops. Both feature fully welded frame construction.
- > Utility tops are available with a choice of side and rear door configurations.
- > Add a Utility Carrier, Masterack® Ladder Rack, or Slide-Down™ Ladder Rack to any utility work top. (Ladder rack reinforcement recommended)

Heavy-Duty Pickup Racks

- > Rated for the maximum load allowed by the truck manufacturers.
- > Support legs mount to the bed floor and side rails for increased load capacity and stability.
- > Fits all Full Size pickups with 6ft. to 8ft. beds. Rack width between truss rails is greater than 48". Includes four crossbars.
- > The only pickup rack that is both zinc plated and powder coated for the maximum in outdoor protection. Low gloss black finish matches vehicle trim.

025355 HD Pickup Rack
48" H bed floor to truss rail
12' L split truss rails

VersaRack™

- > Adjustable to fit virtually all sizes and models of pickups.
- > Aluminum construction is rugged and reliable, never rusts.
- > VersaRack™ is lightweight (55 lbs.), yet strong (800 lbs. tested capacity).
- > Channel system design accepts a wide variety of accessories.
- > Installs in many trucks without drilling using the optional PocketLok™ system.
- > Fits all pickups with 5-1/2 ft. to 8 ft. beds, 48" wide between side rails.

Patented, universally adjustable corners are made with Kevlar™ glass fibers and nylon to make the rack strong and rigid. Self-indexing system provides positive positioning and reduces assembly time. Lightweight, can be lifted by one person.

PICKUP INTERIOR ORDERING GUIDE

For use with commercial cab high plus 6" tops. Lift-up, or sliding side doors required for interior side access.

Fit full size and compact pickups with bed length indicated.

Installation requires removal of bed liners.

Most van accessories (pages 34-39) will fit pickup interior systems.

Cargo mat and tailgate protector are available, please specify make, model, and bed length.

Determine proper vehicle payload capacity when planning commercial pickup systems.
