ABOUT MASTERACK®

Quality and customer satisfaction is our commitment. MASTERACK® has over 60 years of experience in the design and manufacture of high-quality, commercial grade van and pickup equipment for the nation’s largest fleets and auto makers. Additionally, through our partnerships with professional distributor installers across the country, trade customers and local fleets can benefit from the same dependable equipment for their service vehicles.

UPFIT INCENTIVES

Factory upfit assistance is available to use on MASTERACK® products for new commercial vans. Subject to qualification. Check with your local dealer for program details.

FEATURES

- Durable bronze bearings for extended life.
- Fully opens and closes with or without a ladder.
- Padlock ready ladder rack.
- Easiest to use and lowest slide down ladder rack.
- Padded slides for less drag, noise, and better grip when ladder is secured upon roof.
- Narrow design does not overhang over sides of vehicle.
- Lowest profile for decreased wind resistance.
- Linkage is over center supported mechanism for extra strength.
- No holes required for mounting.

UTILITY

LOCKING LADDER RACK

Unequaled for ease-of-use and dependability.

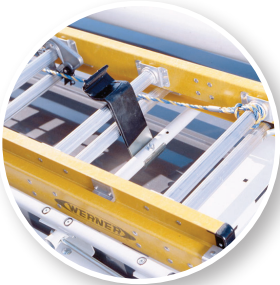

- Easy-to-use clamping action secures ladders in place.
- Easily load and unload from side of vehicle for safe, efficient operation.
- Zinc-plated and powder-coated for maximum outdoor protection.
- With only one moving part, ladder rack is designed to be maintenance-free for a lifetime.
- Many racks install to existing vehicle hardware. No drilling required. Other racks include roof-mounted bolt-through feet and reinforcement plates; some drilling is required.
- Adjustable to fit multiple step and extension ladders.

FEATURES

Lockable for security. Simply lock the handle with a standard padlock to protect the ladder from theft.

Vinyl Coated clamps resist abrasion. The convenient operating handle securely locks ladders in place.

Extended Front Stop is fully adjustable to accommodate step and combination ladders. Included in streetside upgrade racks.

Single Locking Ladder Rack With Streetside Upgrade

UTILITY CARRIER

Heavy-duty utility carriers are the economical choice for a variety of uses.

- Ladders, pipe, or most any cargo can be carried securely.
- Heavy gauge steel construction, zinc plated, and powder coated for maximum weather protection.
- Utility carriers consist of two crossbows with tall outer stops.
- No drilling into the roof is required.
