

8-DRAWER CABINET

HIGH-QUALITY. MADE IN THE USA.

➤ This new freestanding 8-drawer cabinet is the newest innovation from Masterack, adding its lineup of proven cargo storage accessories. Organization is the key to productivity in a work vehicle. With full 100% extension drawers, **our new 8-drawer cabinet provides easy access and secure storage for all your parts and tools.**

ADVANTAGES

- Heavy-duty full extension ball bearing drawer slides provide total access to all parts and tools.
- Freestanding design can be used in various applications, including inside cargo vans for storage on the go.
- Drawers lock with a spring and lever mechanism for added security.
- Added drawer partitions improve organization.
- Manufactured in the USA by a Veteran-owned company.
