# CARGO GUARD

New from Masterack, Cargo Guard is the ultimate truck bed solution, designed to enhance security, storage, and convenience.

Protect your cargo from theft with a universal locking mechanism, while providing easy access for on-the-job use with side-access toolboxes and a BEDSLIDE. Cargo Guard is the perfect solution for fleets seeking to enhance their truck's efficiency while preserving rear window visibility.

- 1. Locking, lift-assisted lid.** Protect your cargo with a heavy-duty aluminum bed lid featuring lift-assist for effortless access. Its low-profile design ensures clear rear window visibility while driving.
- 2. Modular ladder rack.** Easily secure and transport ladders and oversized materials with confidence. The included ladder strap provides extra stability and protection during transit.
- 3. Side access toolboxes.** Maximize storage and quick access to your tools with two side-accessible toolboxes, perfect for frequently used equipment.
- 4. BEDSLIDE 1000 CLASSIC.** The ideal solution for easy access to your truck bed, allowing you to slide out all your gear effortlessly from under the bed lid. It supports up to 1,000 lbs. of evenly distributed weight.
