

MASTERACK®

TAILOR FIT FOR A JOB DONE RIGHT

QUALITY UPFIT SOLUTIONS FOR COMMERCIAL VEHICLES

CARGO VAN INTERIORS

ABOUT MASTERACK

Masterack started as a metal fabrication company in Atlanta in 1936. We served a variety of markets before patenting the original roof-mounted clamping ladder rack in 1972 which gave us our start in the upfitting industry. For the last 50+ years, we have designed, engineered, manufactured and installed specialty upfit solutions for work-ready vans and pickup trucks.

MARKETS & CUSTOMERS

Masterack serves customers in a variety of key industries from the small local crew to some of the nation’s largest fleets. With specialty engineered trade packages built for the needs of today’s electrician, HVAC tech, general contractor and more - each upfit is tailor-made for the demands of the job.

MADE IN THE USA

From the beginning, Masterack has been an industry leader in sheet metal fabrication. Our 200,000 square foot manufacturing facility is located in Social Circle, GA. With a best-in-class powder coating system, we offer customers premium quality construction of cargo management solutions and component contract manufacturing. Our team takes pride in delivering a tailor made product that’s ready to work as soon as it hits the road.

ABOUT PARENT COMPANY

We are proud to be part of J.B. Poindexter & Co., Inc., a privately-held corporation managing a diversified portfolio of best-in-class companies. Our combined portfolio offers customers the largest range of products in the commercial fleet market ranging from class 1-7 vehicles and accessories. Learn more at jbpoindexter.com.

QUALITY PRODUCTS FOR YOUR FLEET

Customers trust Masterack to provide products and solutions that keep them organized, efficient and safe on the jobsite and the road. From the introduction of the first patented roof-mounted clamping ladder rack in 1972, we’ve equipped fleets with custom, innovative upfits for a job done right.

LIMITED WARRANTY

Masterack commercial van and pickup equipment is warranted to be free from defects in material and workmanship, under normal use and service, for a period of one (1) year from date of purchase. Factory installations and products installed in new vehicles by an authorized Masterack installer are warranted for three (3) years or 36,000 miles (60,000 km), whichever comes first. Please visit masterack.com to view additional warranty details.

FULL CATALOG ONLINE

Browse our full product catalog online, anytime at masterack.com. Use the Build Your Quote tool to request pricing or connect with a local upfitter.

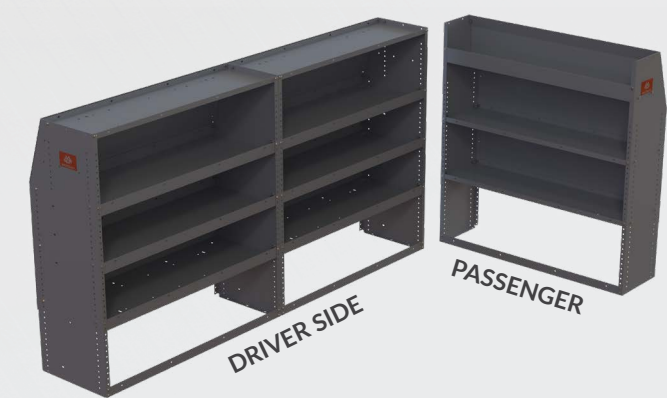

Every vocation is unique and comes with different cargo management needs. From tank rack storage to wire spool carriers, Masterack trade packages feature different accessories to securely store items specific to the job at hand. With standard shelving modules at the base, you can add additional components to customize each package to exactly what you need. Make your upfit tailor fit for a job done right. **Partitions are sold separately.**
