**A best-in-class innovation in folding shelving from Masterack.**

Our Fold Flat HD shelving features heavy-duty aluminum construction with easy, compact storage. Get the flexibility you need for any job while securely stowing up to 350 lbs per shelf.

When it comes to folding shelves for last mile delivery and beyond, **this is the new industry standard.**

### » **FLAT STOWING POSITION**

freed up usable cargo space, eliminates safety catch points.

### » **HEAVY-DUTY STEEL BRAIDED CABLE**

provides increased weight capacity up to 350 lbs with low maintenance.

### » **SLAM LATCH LOCKING SYSTEM**

securely stores shelves and includes dampening system to reduce noise and vibration.

# VEHICLE CONFIGURATIONS

➤ Compatible with all major van models from Ford, RAM and Mercedes, Masterack folding shelves are sold as standalone two-shelf modules for endless configurability.
