

# HD DRAWER MODULES

## HEAVY-DUTY. MODULAR DESIGN.

➤ A decades-long leader in the upfit industry, Masterack now offers a full line of heavy-duty drawer modules for work truck bodies. Purpose-built with the roadside technician in mind, each drawer is rated for 250 lb. weight capacity with lock-in, lock-out drawer slides. Full 100% extension provides easy access to small items all the way up to your heaviest tools. **Give your work truck an upgrade in organization with Masterack HD drawers.**

## ADVANTAGES

- Heavy-duty 250 lb. weight rating per drawer
- 100% drawer extension with lock-in, lock-out for easy access and long-term reliability
- High-quality aluminum construction
- Ergonomic front-lift paddle provides smooth, one-handed operation
- Modular design can easily mount inside any service body make or model with minimal installation
